Interview Summary

Examiner Fotakis called on 14 January 2008 to indicate that he would allow the case if we approved a minor examiner's amendment to claim 36. In particular, I gave Examiner Fotakis permission to amend claim 36 to replace "...to the received signal impairment correlations,..." with "...to the measured received signal impairment correlations,..."

Respectfully submitted,
COATS & BENNETT, P.L.L.C.
